Welcome Back!

Dear St. Peter Community,

Welcome back everyone! This school year will be like no other. However, Ms. Ramsingh, the teachers, and principal are all here for any support and resources. As we continue to fight the COVID 19 virus and move onto remote learning/ blended learning, it's important that your students are equipped with the tools to navigate remote learning this school year. When students are given the necessary tools and support they will strive in remote learning. Below are fews tools and tips for our students to continue to be successful.

Remote Learning Tips

Stay organized

Make a weekly calendar with classes and dedicated time to studying.
You can study with friends or simply by yourself.

Learn your virtual class times and log in to the platform daily.
Some teachers use google classroom or zoom.

Stay engaged.

Participate in class - set a goal to ask a question or contribute to the class conversation.

Check your emails for updated communications.

Manage your environment. Find a space that is comfortable.

Turn off any distractions such as TV or cell phone.

Reduce your stress

Ask for help and take breaks when needed.

Rely on your family, friends and school for support.

Take time on weekends to relax.
