

Meet the SCHOOL COUNSELOR

Ms. Melissa Ramsingh

Welcome!

Dear Parents/ Guardians,

Greetings and WELCOME
BACK!

My name is Melissa Ramsingh and I am the new school counselor for St. Peters Catholic Academy. I am thrilled to be a part of this school community and look forward to working with you to make this another successful year for our students. As your school counselor, I plan on using my position as well as my experiences within this field to provide an equal opportunity for ALL our students to thrive and reach their full potential. My goal is to set these students up for success in all aspects of their lives.

About Me

First, I wanted to take a moment to tell you a little about myself. I recently graduated from Brooklyn College with a Master's of Science in Education in School Counseling. Since the beginning of my journey at Brooklyn College in the Fall of 2015, I volunteered for a non-profit organization to help foster academic development for toddlers from lower income communities to prepare them for preschool.

As the school counselor, my main goal is to ensure EVERYONE (students, parents, teachers, staff, administrators, etc....) knows I am here to provide the appropriate support or services they may need if they feel a sense of distress. The school-counseling department offers services to all. Some of the services are but are not limited to:

- Mandated individual and small-group counseling
- At risk counseling
- Social/Emotional development
- Academic support and goal setting
- Career Planning
- School- to- work transition
- Conflict resolution
- Consultation/ collaboration Teacher/ Staff/ Any Member of the School Community Support
- Referrals

Contact Me

I welcome and value parent involvement, feedback, and support throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
