Dear Families,

Welcome to the Pre-K for All 2021-2022 school year!

My name is Ms. Laurie and I will be your child's teacher this year. This is my 19th year teaching in Early Childhood and I am NYS Certified. My teacher's assistant is Ms. Antonella. We have been working together now for the last three years. We are very excited to start the new school year with your child.

In Pre-k for All your child will learn numbers, shapes, colors, letters, letter sounds, Fine Motor skills such as cutting with scissors, Gross Motor skills such as kicking a ball. We love to sing in Pre-K! Singing is a major part of learning in our classroom. The most important part of Pre-K children will learn to be independent.

We will be setting up a communication platform so that we may be in contact with one another.

We cannot wait to meet your children and have a wonderful year of learning with them!

Thank you,

Ms. Laurie Calbo
