This manual is for use by the Catholic elementary school principals who will be participating in the Test for Admission into Catholic High Schools (TACHS).

In conjunction with the Diocese of Brooklyn/Queens, the Archdiocese of New York, and the Diocese of Rockville Centre (Long Island), Riverside Insights™ will administer the *Test for Admission into Catholic High Schools (TACHS)* during the fall of 2021 for high school admission in 2022–2023. The purpose of the test is to provide objective information about students who will apply to the Catholic high schools in the New York metropolitan area. The results of the test, along with the Applicant Record, will give high schools information that is useful in making decisions on accepting students into their schools and in grouping new students for teaching purposes.

All students who are applying for ninth-grade admission into Catholic high schools that participate in the program take this one test. Each student must pay a \$65.00 fee at the time of registration. The test will be administered in the Archdiocese of New York on Friday, November 5, and in the Diocese of Brooklyn/Queens and the Diocese of Rockville Centre (Long Island) on Saturday, November 6. School personnel with questions should call the TACHS helpline at Riverside Insights at 1-630-467-6001.

REGISTRATION

There are two methods of registration available for the 2021 TACHS examination. The preferred method is Internet registration. See the Registering Students section on page 2 of this manual for more details.

Whichever method is chosen, principals and other staff involved in the registration process should become familiar with the information found in the Student Handbook.

TACHS Elementary School Codes

An elementary school code **must be submitted** for each student. Consult the list of elementary school codes at the back of this manual to find the code number that has been assigned to your school for the TACHS program. Make sure that this information is completed regardless of which method of registration is used.

Registration Schedule

Please make note of the following important dates.

	Two Ways to Register	
	Internet www.tachsinfo.com	Telephone 1-866-618-2247
First Day to Register	August 23, 2021	August 23, 2021
Last Day to Register	October 24, 2021 (11:59 PM EST)	October 24, 2021 (11:59 PM EST)

There will be no walk-in process this year.

Registering Students

The two methods of registration available for the TACHS are: 1) Internet and 2) telephone. Duplicate registrations may result in a processing fee. Therefore, ensure that your students have not already been registered for the TACHS by their parents or guardians.

Method 1 – Internet

Internet registration is available at www.tachsinfo.com. Click on the Internet Registration link located on the left side of the page. Principals may register students individually by completing the required registration fields. After completing the registration fields, there are two options: Submit or Save/Register Another Student. Payment is not required until Submit is chosen. Credit card or school check (as a means of direct debit) payment is required for this method.*

For security purposes the system will end your session if there is no activity for 90 minutes. Please complete Registration Records and process your payment before you walk away from your session to avoid duplicate registrations and multiple charges to your bank account. If possible, we suggest that schools request that each parent individually register his or her own student.

Method 2 – Telephone

Call 1-866-61TACHS (1-866-618-2247) to register students by telephone. Registering students by telephone is similar to the Internet method in that information will be collected for each student individually. Credit card payment is required for this method.* All telephone registrations are handled by a live operator. Telephone registration is available Monday–Friday from 8:00 AM–7:00 PM and Saturday–Sunday from 10:00 AM–2:00 PM Eastern Time. If English is not the native language of the caller, an operator speaking that person’s language will be made available.

Registration Fees

When a principal or school administrator is registering students via the Internet or telephone, he or she is asked to collect fees from individual students and use one credit card or school check to submit payment online.

ADMIT CARDS

There will be no mailed admit cards this year as students will be taking an online, at-home remote test. No tests will be administered in the typical test-site setting.

TEST SESSIONS

On November 1, 2021 students will receive their test date/time/session code via the email address provided at the time of registration. Between Nov 2-5, they may also access their test date/time/test session code at www.tachsinfo.com by entering the student’s TACHS id and email address. They may also call 1-866-61TACHS (1-866-618-2247) if they did not receive an email and/or are unable to access their test date/time/session code at www.tachsinfo.com. Test session codes should be located prior to November 5, 2021. If a parent/student is unable to access this information on the website, he or she should call 1-866-61TACHS (1-866-618-2247) for assistance.

* Credit card or bank statements will show the charge for the registration as “TACHS.”

ADMINISTRATOR LOGIN ACCESS

Catholic elementary schools within the Archdiocese of New York, the Diocese of Brooklyn/Queens, and the Diocese of Rockville Centre (Long Island) will be able to view the names of registered students from their schools and complete their Applicant Records via the Internet at www.tachsinfo.com. Logins and passwords are valid on May 1, 2021. Upon entering the website, click on the TACHS Admin Login link. You will then be taken to a login screen that requires a User Name and Password. Your school's User Name is a combination of your diocese's abbreviation plus your 3-digit TACHS Code. For example:

<u>Diocese</u>	<u>Elementary School</u>	<u>User Name</u>
Archdiocese of New York	St. Ann/Staten Island	ADNY501
Diocese of Brooklyn/Queens	Holy Family Catholic Academy/Flushing	DBQ130
Diocese of Rockville Centre (Long Island)	Holy Child Academy/Nassau	RVC614

At the start of each testing season, the password is set to tachs1. During the first session, you will be required to change the password. You will also provide an e-mail address at that time so that a confirmation e-mail can be sent to you. Keep your new password in a safe place.

PARTICIPANT LIST

Catholic elementary school principals will be able to monitor, via the Internet, which students from their school have registered for the TACHS. In order to view the list of students registered for the TACHS from your school, you must log in (see Administrator Login Access section above) to a secure administrator page through www.tachsinfo.com. The list will be updated on a daily basis, and principals may check it as often as they like. See the following section for an explanation on accessing the student Applicant Record online.

APPLICANT RECORD

After a student has registered for the TACHS, you will have access to his or her Applicant Record electronically through www.tachsinfo.com. Catholic elementary schools are required to complete the online Applicant Record for their school's registered students. Principals, counselors, or teachers will access the Applicant Record through the same link, using the same login name and password as used to view the Participant List. You will be able to complete Applicant Records only for students who have completed the registration process. Inside the database you will see a list of registered students from your school from which to select. You may return to the list as many times as needed to complete the Applicant Record(s). An Applicant Record does not have to be completed in one session. You may save the data and return at a later date.

For security purposes the system will end your session if there is no activity for 90 minutes. Please complete or save the Applicant Records before you walk away from your session.

When you select a student's name from the list, you will see that all of the student's registration/demographic information has already been completed. Please complete the required fields and mark the record as "complete" when applicable. **After a record has been marked "complete," no further changes may be made. All records must be completed by December 14, 2021, at 5:00 PM EST (NO EXCEPTIONS).**

You also will have the option of printing a student's Applicant Record with only Section A (demographic information) completed. Records can be completed by hand and data entry done at a later date.

Completed Applicant Records are electronically sent to the high schools on December 15, 2021. You are not responsible for the distribution of the Applicant Record(s); however, it is recommended that you print and keep copies of the completed records for your files. (See the Applicant Records section of the Student Handbook for further instructions.)
